

- **Aeon** is an anti-aging patch that reduces inflammation, cortisol, C-reactive proteins, and stress. It balances your autonomous nervous system and hormonal production. It is also known as the 'happy' patch, as patching Aeon is likened to consuming 30 cups of Royal Jelly a day.
- **Alavida** improves the health of your skin from the inside out. It reduces the appearance of fine lines and wrinkles, brightens your skin's complexion for a regenerated, youthful glow, and evens out skin tone and discoloration.
- **Carnosine** protects your neurological system, improves the bioelectrical properties of your internal organs, and promotes the overall wellness of your brain, heart, and muscles. It improves cognitive functions and prevents mental decline and visual degeneration. Enhances athletic performance by enhancing strength, flexibility, and stamina.
- **Energy Enhancer** increases energy production in the cells, a process that produces more energy from fat burning, and by improving mitochondrial functions, an anti-aging benefit. Clinically proven to naturally increase overall energy and endurance without using drugs, chemicals, or stimulants.
- **Glutathione** is the body's master antioxidant for detoxification. Glutathione Patches are clinically proven to elevate glutathione levels by 300% on average within 24 hrs.
- **IceWave** is a safe, powerful, and effective solution for all pain levels. It is designed to provide fast relief at the source of discomfort. Unlike most pharmaceutical painkillers, IceWave is non-drug, non-addictive, and has no harmful side effects.
- **Silent Nights** regulates the natural and healthy production of melatonin without using drugs, chemicals or stimulants. Clinically proven to improve sleep quality and length without causing groggy feeling the next day. A clinical study conducted by the prominent neurosurgeon Dr. Norm Shealy concluded that by using Silent Nights patches, the length of sleep could be improved by a staggering 60%.
- Complementary to a weight loss program, the **SP6 Complete** patch gently stimulates acupressure points on the body to cause a natural decrease in hunger and sugar cravings – without drugs, stimulants, or needles.
- **Aculife** is a safe, powerful, and effective pain management solution for horses. Designed to reduce inflammation and provide fast relief at the source of discomfort and pain in horses. Unlike most pharmaceutical

painkillers, Aculife is non-drug, non-addictive, and has no harmful side effects. No veterinary prescription is required.
