

## **LIFE WAVE TESTIMONIALS**

### **NEUROLOGICAL DISORDER IMPROVEMENTS**

#### **Parkinson's**

A man who had been diagnosed with Parkinson's for 20 years used X39 and within 24 hours his countenance lifted and his mood shifted (due to the lack of dopamine being produced in the body, Parkinson's patients will often be subdued and without expression...the "Parkinson's stare" is common). Within the next 48 hours, his personality began to emerge, he was socializing, and moving better. Within 5 days he was walking without a walker for a block.

#### **Memory Loss, Poor Balance, Falling, Difficulty Walking**

An x39 user challenged with memory loss, loss of balance, falling and difficulty walking for 15 years, used patch three weeks and experienced some diminishing of symptoms. Two years later, her memory is back, her balance is back, no more falling she is able to walk without difficulty!

#### **Neuromuscular, Stroke**

An individual had a major stroke five years ago and was offered a patch. Within 30 minutes of putting the patch on, he felt better and his voice came back. He is now able to walk and talk and ride his bike.

#### **Seizures**

Neurological/Stability -- an entire family have been using the patch for six months. Noticed immediate results. For the son who has seizures, they occur less frequently and are shorter and duration. Recovery time from seizures is super quick. The son no longer wears plastic braces that he has been wearing for 30 years.

### **EYE IMPROVEMENT**

#### **No more reading glasses**

A user of X39 no longer needs her glasses for reading. She also reported many other positive results of using the patch, such as improvement of blood sugar and blood pressure. Her hair turned from white to its original color and more mental clarity.

#### **Crossed Eyed**

X 39 is an answer to 9 years of prayer. Now 13 years old, a CHILD whose eyes began to cross badly at the age of four can now read clearly because his parents listened to testimonies of older people sharing about improved eyesight.

#### **No More Glasses**

No more glasses! After using the patch, vision was tested at 20/20. Also sharper mind and better memory followed after wearing the X 39 patch. Back and shoulder issues have been improved as well.

#### **Eye Rupture**

After using X39 patches, shots for a rupture in the eye are no longer needed. SLEEP is improved and a scar on the nose from 26 stitches is disappearing.

#### **Cloudy Vision Gone**

User shares that after using X39, her eyesight improved. She had experienced cloudy vision and it cleared within 2 days of patching and remained improved.

### **DISABILITY IMPROVEMENT**

#### **Child Medical Injury**

For seven years, a CHILD suffered from a medical injury that took place when he was 2 1/2 years old. After trying many things his mother tried the X 39 patch. He now has social skills and motor skills that he didn't have as a result of the injury and is starting to use words to speak.

A significant improvement in this child's quality of life.

### **Nonverbal Granddaughter Improved**

A couple who were trying to patch reported that within two weeks that their sleeping improved, their energy increased and they felt decades younger. They tried the patch on their granddaughter who was nonverbal. After five days of using the patch, they witnessed tremendous results! They noticed changes such as she was no longer hitting herself in the face and that she was making direct eye contact with them, she became vocal, and she was smiling. She became emotionally stable, and noticeably happier from using the patch.

**Gluten Intolerance/Disability.** A woman with gluten intolerance had no more symptoms within three months of wearing the patch for a few months. She had been dealing with gluten intolerance for 18 years. There were many improvements to the health of this family, including going from using a walker to walking.

## **SLEEP IMPROVEMENT**

### **Improved Sleep**

Patch wearer within two weeks was experiencing great sleep and more energy even after a full work day. Improved sleep after 60 days.

### **Longer Sleep and Bladder Improvement**

82 year old is able to sleep a solid 6 to 7 hours at night because her bladder improved after starting to wear the patch. Well.

### **Sleeping Deep – Improved mental Clarity and Focus**

A mother of young children was unable to sleep deeply. As a result, she felt discomfort in her muscles, brain, fog, and fatigue. Not only that, her mental clarity vacillated from day today. She started the patch in March 2023. Now she is sleeping deeply and has more energy, much decrease in brain fog, an increase of MENTAL CLARITY and sharpened focus.

### **Interrupted Sleep Ceased, Mental Clarity, Skin Improvement, and Balance**

After wearing the patch, many years of interrupted sleep ceased. Her dermatologist noticed her SKIN IMPROVEMENT as well. She has more MENTAL CLARITY She shares that she has INCREASED STABILITY she no longer stumbles or falls. She has started wearing high heels again!

## **BLADDER IMPROVEMENT**

After 60 days of wearing the C39 patch, there were no more frequent trips to the bathroom during the night for woman in her 80's.

### **Multiple Sclerosis – No More Incontinence**

A woman diagnosed with MS for many years regained mobility, no longer had incontinence issues, increased mental alertness, and has hope for her future after using X39. Some symptoms began improving immediately after using the patch and others after 12 months of patching.

## **SPINE ISSUES**

### **Improved Flexibility**

A man who had been born with a spinal issue was very excited about the immediate improvement in flexibility and sleep that took place when he tried the X39 patch. It is two months later, and he is still experiencing physical improvement!

### **Curvature of the Spine**

A woman who was born with a severe curvature of the spine which got progressively worse until she was in constant pain and housebound. After trying the X 39 patch for 3 1/2 weeks, she was able to stand 40 minutes with no pain!

## **MIGRAINES**

An individual had suffered migraines, severed recurring headaches for 50 years, and heads discomfort used the X39 patch for 6 months. The severity of discomfort went down, and the frequency of headaches decreased drastically.

## **HEART**

After 1 to 2 weeks of wearing the patch, improvement of symptoms was noticed by doctors. Testing then took place and a proposed heart surgery was cancelled due to the improvement.

## **CHRONIC PAIN**

### **Chronic Hip or joint pain (also hair improvement/fines and wrinkles:**

After one year on the patch, initially the X39 user's sleep improved and discomfort in the right hip has decreased 95%... also, hair is now growing like a weed, and fine lines and wrinkles are diminishing

### **Chronic Hip Pain**

After using the X39 patch for four months, chronic hip pain has noticeably decreased

### **Radiating Neck Pain**

A woman had pain in her neck radiating down her arm into her hand. Her thumb and index finger had gone numb a few months prior to using the X39 patch. After patching, Day 1, she slept better. Day 2, she noticed some pain relief and even better sleep than the night before. Day 3, she had the feeling come back into her thumb and finger. The neck pain continued to lessen. An MRI revealed the shocking improvement (before and after).

## **Fibromyalgia and Osteoarthritis**

A woman suffered with fibromyalgia and osteoarthritis for a number of years. She started having severe spasms in the back of her neck. She placed a patch on the back of her neck and she hadn't had any more spasms. Also, She'd been having some sciatic pain in her left leg for over a week and tried the patch. The pain immediately stopped and her sleep also improved.

## **WEIGHT LOSS**

Weight loss was one of 77 physical improvements that one of the X39 patch wearers experienced. In one year of patching, 110 pounds lost and metabolism reversed.

## **DENTAL**

After using the patch, the dentist said that pockets in the comes have closed up.

## **MENTAL CLARITY AND MEMORY**

### **Brain Short Circuiting**

After using the patch for 3 weeks, significant improvement was apparent in the area of "my brain was short circuiting".

### **Memory Improvement**

Before using the patch, a woman complained of experiencing 10-15 "memory glitches" per day. She would forget names, what she was doing in a room, not able to sometimes complete sentences, etc. After using the X39 patch for 3 days she noticed she had gone an entire day without one memory glitch. The next day, again. The third day, she had one glitch but quickly recovered the memory. Her memory continued to improve.

### **Mental Clarity**

Mental clarity was improved within 20 days of a user starting to patch.

### **Memory was Shot!**

An individual complained that his "memory was shot". He would panic when he couldn't remember names but after using the patch he has experienced mental sharpness again.

## **ENERGY**

### **Energy Levels and Productivity Improved**

After using the patch for 4 to 6 weeks energy levels were vastly improved and productivity increased.

### **First Day Improvement**

After patching for only 1 day, a user testified of experiencing a great acceleration of “clean energy and focus.”

### **Dramatic Increase in Energy**

A user of X39 reports results of a dramatic increase in energy after using the patch for 7 to 10 days.

### **More Energy and Rejuvenation**

Users of X39 reports, more energy after the work day is over (for the husband) and feeling decades younger (for the wife). When the patch was placed on her, she said it felt like she was plugged into an electrical outlet, a different energy then she has ever felt before. His sister who had an auto immune disease, felt fabulous after starting the use of the patch.

The husband had low energy after workouts or playing golf but after 20 days of using the patch recovery times reduced and energy level exploded.

The wife had fatigue, but the patch made her more energetic during the day and her kids had a hard time keeping up with her now they ask her to slow down.

## **IMPROVED SUGAR LEVELS**

### **Diabetic Symptoms improved.**

After using the patch for two weeks, fluctuating blood sugar levels were regulated and diabetic symptoms tremendously improved.

After three weeks of being on the patch, user shares improvement in blood sugar level after eating.

## **IMPROVED IMMUNE SYSTEM, CHEMOTHERAPY, NEUROPATHY**

An individual had lost hope after being diagnosed with cancer given six months to live treated. As a result of chemotherapy, she developed neuropathy and shingles and was in terrible pain. After starting the patch, overnight pain was gone.

## **ASTHMA IMPROVEMENT**

A child had been on steroids and inhalers but after two days on the X39 patch, all asthma symptoms disappeared.

## **RINGING IN THE EAR**

After six months of wearing the patch, ringing in the ears had stopped. Migraine headaches stopped as well.
